MEMORANDUM FOR THE RECORD

1. The subject matter dealt with in [redacted]  
was reported to Secretary Brucker of the Army, this date.

2. Secretary Brucker expressed his appreciation for  
the information and stated that it gave him a valuable  
lead.

3. He commented that, other than for the publicity  
angle, he would be delighted for the Committee to make a  
full investigation. For one thing, it would prove to them  
that the Army could take rapid and forceful action when  
the occasion demanded. I commented to the effect that,  
of course, that was Army business and this Agency could  
have no comment.
